

PULL FOR HOPE

Rain and all, the Pulling for Hope Event was very successful! We raised **\$5,757** for the Wheels of Hope program this year which brings the total amount raised over the past few years at Pulling for Hope to **\$58,164.60**. The team from the Ministry of Natural Resources and Forestry (Sudbury Fire Rangers) pulled both the water bomber and the concrete truck the fastest. We also saw a young cancer survivor, Lauren Toffoli, cut off over 12 inches of her hair at the event to raise over \$1,000 for the Wheels of Hope program.

HOLIDAYS APPROACHING

sunwing.ca

**LOOKING FOR
A WARM SPOT
FOR CHRISTMAS**

Sunwing Vacations has announced the addition of a new flight service to Cayo Santa Maria, Cuba commencing on Christmas Eve and operating weekly between December 24, 2015 and March 24, 2016. White sandy beaches are but a flight away...

BEARSKIN AIRLINES EXPANDS THEIR DESTINATIONS FROM SUDBURY

Good news! Bearskin Airlines has added up to 23 new nonstop flights weekly between its Sudbury Airport hub, Timmins, North Bay, Sault Ste Marie and Thunder Bay, increasing the number of nonstop flight originating out of the Greater Sudbury Airport. This is a significant expansion of service that is welcomed by the Sudbury Airport Community Development Corporation, staff and patrons alike.

AVIATION SAFETY WEEK AT THE GREATER SUDBURY AIRPORT

The Sudbury Airport, along with 23 other airports across Canada, kicked-off Canadian Airports Safety Week, a new airport-led initiative to promote healthy and safe work practices among airport employees. The first program of its kind for the Canadian aviation industry, aimed to reach thousands of airport employees across the country with various safety talks, themed messaging and events, which were developed in collaboration with participating airports.

In light of this program, the Greater Sudbury Airport undertook a FOD walk and delivered daily safety messages within the airport community and GA.

KNOW AN EXCEPTIONAL EMPLOYEE WORKING AT THE AIRPORT?

Please send an email to airport@flysudbury.ca to let us know why and we'll try to feature them in the next newsletter.

OPERATION A.L.E.X.

“Operation ALEX” an unrehearsed real-time aircraft incident drill designed to test the adequacy of the Greater Sudbury Airport’s emergency response plan, was a great success! With the participation of Police, Fire, Ambulance, Emergency Services, Airlines, Commissionaires and airport personnel, we were able to learn from each other in order to be prepared to work together to cope with different types of emergencies that may occur at the airport. The ultimate goal is to ensure that all components of the airport’s emergency plan are evaluated and tested in compliance to Transport Canada regulations to ensure the safety of the public, staff and passengers alike.

THE PASSING OF SAUL CARTMAN

Saul Cartman was instrumental to the culture of the Greater Sudbury Airport and will sadly be missed.

He was a founding member of the Sudbury Flying Club, the Civilian Air Search and Rescue Association, Young Eagles, and Sudbury Amateur Radio Club. He was a passionate pilot who was happiest flying planes.

MURAL ARTWORK

The Mural Group, coordinated by Cambrian College Faculty and executed by Cambrian College Students will be creating a visual artwork in the form of a mural to be installed in the Greater Sudbury Airport’s HBS location. Their creation, to be completed by May 1st, 2016, will explore the joy of travel in contrast and juxtaposition to equipment and facilities that are meant to operate in a somewhat sterile environment.

CONGRATULATIONS BRANDON!

Brandon Aubertin was awarded the Shell Aviation VP Award for the **Best near Miss/Potential Incident** reported in America Q1 2015 for his incident report and intervention on February 27th. Brandon’s actions helped avoid a more serious incident.

HONESTY IS STILL THE BEST POLICY

Honesty refers to a facet of moral character and connotes positive and virtuous attributes such as those displayed by Malcolm Leger while conducting his security duties on September 19th. After discovering that an Air Canada passenger had left over **\$10,000** of cash in a purse in our parking lot, he tracked down the passenger and returned the funds. While this decision may be easy for Malcolm, many individuals placed in the same situation may not have made the same decision.

We are all extremely proud and grateful for the integrity you all displayed and for re-enforcing the fact that the Greater Sudbury Airport truly is comprised of an incredible group of companies and employees.

SkyVue Restaurant will be closed for renovations as of **October 10, 2015** for an 8-week period. We apologize for any inconvenience this may cause and appreciate your patience during this time.

Temporary food and beverage concessions are available.
